WATERPROOF CHEST WADERS "MAX S5" FLUO

Model: SBM01 FLUO

The chest waders have been produced with high quality PVC Safety boots S5 type welded in - steel toe cap and steel midsole. The model has elasticated braces, knee-protection and a belt for waist adjustment. Chest waders have been made on waterproof strong fabric Plavitex Heavy Duty Fluo. It's a good protection against water. The product is recommended to be used in every place where visibility is limited. High frequency welding makes seams stronger.
