## DESCRIPTION

Softshell jacket with a hood made of elastic ElasticTech®Flexi material; the inner part is lined with pleasant fleece. This jacket with raglan sleeves has an anatomically shaped functional SLIM FIT cut. It features a detachable hood which can be adjusted with a drawstring. The jacket has a continuous zipper with a chin guard, is equipped with 1 zipper chest pocket and 1 zipper pocket on the left sleeve, and 2 covered zipper side pockets. The jacket has pre-shaped sleeves. The width of the bottom hem is adjustable with stoppers, for safe movement, it is equipped with high-visibility elements. The jacket protects the wearing against rain thanks to its functional membrane while maintaining optimal breathability and wind resistance. The modern design makes the jacket suitable for versatile use during outdoor, work and leisure activities.

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided. The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene of health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement pants are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
