## DESCRIPTION

This set of men's functional long-sleeved t-shirt and men's functional trousers is ideal as the bottom layer for various activities, and is designed as seamless. Seamless technology minimises the number of seams and prevents irritation of the skin. This functional long-sleeved t-shirt and functional trousers provide excellent thermoregulation, with the inner side absorbing moisture perfectly and the outer layer providing thermal insulation; they are flexible, quick-drying, adapt perfectly to every movement, and feature a state-of-the-art cut for maximum comfort, while special knitted functional zones and textures offer ideal ventilation for the skin, making them suitable for any strenuous sports.

This product is not PPE (Personal Protective Equipment), therefore it is not subject to certification and cannot be CE marked.

The LYTANIX collection meets the requirements for health safety and holds the **OEKO-TEX<sup>®</sup> Standard 100 certification, certificate number PG020 200752 OETI.**

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene or health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement parts are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
